

# Oregon Craft Whiskey Menu

*A bourbon, a spirit whiskey, and a single malt walk into a bar...*

*Here are three craft-distilled, small-batch whiskeys from Oregon, USA, amazing for sipping or cocktails.*

## Henry Du Yore's Bourbon

A premium American bourbon (minimum 51 percent corn and aged at least two years in new barrels) with a spirited twist, containing a high proportion of rye and barley. *Wine Enthusiast* gave this bourbon 93 points and named it one of the Top 50 Spirits of 2013. Named after the moonshiner Henry du Yore.

Per glass (35 mL): **65 RMB**

## Whipper Snapper

Made from 79% Kentucky white dog corn whiskey and 21% malted barley whiskey, this spirit defies classification — it is, in fact, not exactly a bourbon but a “spirit whiskey,” aged one to three years in Pinot noir and American whiskey barrels. The result is utterly unique: herbal and botanical, almost gin-like, accompanied by notes of caramel and vanilla typical of bourbons.

Per glass (35 mL): **50 RMB**

## McCarthy's Single Malt

A diamond among gems: McCarthy's Oregon Single Malt is made using peated barley from Islay — Scotland's famous whisky island — and aged three years in sherry casks in Oregon. It scored an astounding 96 out of 100 in Jim Murray's *Whiskey Bible* 2008, and was praised by renowned whiskey expert Michael Jackson as one of the “Ten Best American Whiskeys” in 2004.

Per glass (35 mL): **70 RMB**

## Old Fashioned

With 45 mL of **Henry Du Yore's Bourbon**. Sugar, bitters, twist of orange: a cocktail even moonshiners can be proud of. **75 RMB**

Or try it with the **Whipper Snapper** (45 mL). Same ingredients, but with a crisper taste, more suitable for summer. **60 RMB**

## Boulevardier

**70 RMB**

The whiskey version of the Negroni: equal parts Campari, sweet vermouth, and **Henry Du Yore's Bourbon**.

## Whiskey Sour

**70 RMB**

Lemon juice, sugar, and 45 mL of **Henry Du Yore's Bourbon**, with a slice of orange. Also try: the version without ice.

## Whiskey Snapper

**60 RMB**

A special Bookworm concoction for those who enjoy whiskey sours with bite: lemon juice, bitters, and **Whipper Snapper**.

## Manhattan

**60 RMB**

Perhaps you're familiar with the Manhattan — sweet vermouth, bitters, and whiskey — but give this 19th century cocktail a youthful kick with 45 mL of **Whipper Snapper**.

## Blood and Sand

**80 RMB**

The classic Blood and Sand, named after a 1922 bullfighter movie, is one of few cocktails to employ Scotch, but we think an Oregonian single malt holds up exceptionally. One sniff and you'll be convinced. Orange juice, sweet vermouth, cherry liqueur, and **McCarthy's Oregon Single Malt**.
